TECH 10 AWARDS EVENT

SUPPORTING PACKAGES—DECEMBER 2024

The December issue of *Rhode Island Monthly* will feature profiles of the 2024 Tech 10 Award winners who are some of Rhode Island's most accomplished IT practitioners, digital media professionals, and entrepreneurs. The winners are determined by a select group of IT leaders specially picked by the Tech Advisory Group.

An event will be held in early December to recognize the Tech 10 honorees and they will be invited along with colleagues, family and friends to celebrate this achievement. There will be cocktails and hors d'oeuvres for guests to enjoy. Each Tech 10 winner will be presented with a personalized plaque recognizing their achievement.

We are offering a select number of sponsorship options for this unique event. In addition to providing a strong statewide branding opportunity, it positions the company well for hiring tech employees.

See reverse for presenting sponsorship benefits. Other packages and display advertising options are also available.
