

# A Roadmap to Marijuana

In the November issue, we will be providing our readers with a guide to dispensaries in Rhode Island and southeastern Massachusetts. Here's how you can benefit:

- Dispensaries that advertise\* will receive a highlight box within the section. This provides an opportunity to let our readers know about your unique offerings, showroom, budtenders etc.
- It is also an ideal environment for related companies or institutions to promote their services
- All advertisers may provide photos for consideration by our designer within the section \*\*
- The digital version of the section will remain on our website for one full year
- The section will be promoted in our 401 e-newsletter and via our social media channels

\* 1/3 page or larger ads qualify for highlight

\*\* Photo source required; use depends on quality and space availability

**Deadline to reserve advertising space & highlight: August 30, 2024**

**About Rhode Island Monthly**  
 141,000+ affluent monthly readers  
 The area's only paid, subscription-based monthly magazine  
 Long shelf life maximizes exposure to your messaging
