MCCORMICK HOME IMPROVEMENT

Celebrating 30 years serving RI homeowners!

For the past 30 years, McCormick Home Improvement has been partnering with RI homeowners on their remodeling projects. When it comes to remodeling your home, most people want to work with not just an experienced and skilled contractor, but also a collaborative one. That's where McCormick Home Improvement comes in. Prior to starting MHI, Chris McCormick spent a decade working for a South County remodeling company. Meanwhile, Kristin McCormick worked in business management and corporate training. In 1991, the couple decided to combine their talents and establish their own full-service, family-owned and operated remodeling company.

Now, backed by thirty years in the RI remodeling industry, MHI has earned a reputation across the state for quality work and exceptional service. With any given project, the MHI team sees clients as their partners, working with and guiding them through the remodeling process from concept to completion. Whether you need a kitchen remodel, bathroom redesign, master bedroom suite addition or even some home safety modifications for an aging loved one, MHI will deliver top-notch craftsmanship, ongoing communication and results that will exceed your expectations. Thinking of an entertainer's dream island and open concept kitchen, a barrier-free tiled shower, first floor master bedroom suite or screened-in porch? Let's get started! Visit our website at www.MHI-RI.com today and submit an inquiry to schedule a consultation. We look forward to partnering with you on your remodeling project!
