RHODE ISLAND

MISSION STATEMENT

Reach Out and Read Rhode Island gives young children a foundation for literacy by providing books into pediatric care and encouraging parents to read aloud together every day.

MAXIMUM 35 WORDS

BACKGROUND

RORRI partners with over 250 medical providers across Rhode Island sites statewide to provide parents with books to read aloud to their children starting at birth, and by providing a brand-new book at every well-care visit through the age of five.

MAXIMUM 35 WORDS

BRAG LINES

For nearly twenty-five years RORRI has been a leader in the fight against educational inequity by integrating literacy into pediatric care. We partners with health care providers, using evidence-based, nationally tested models, and distributing age-appropriate books.
