

# OUTSTANDING WOMEN

— An Evening of Networking —

In celebration of International Women's Month, we are excited to host our 3rd annual special networking event to honor and celebrate local women who are making waves in their fields. This evening is all about connection, empowerment, and inspiration with all proceeds going back into the community to support a non-profit.

This year, we are excited to have Elizabeth Beisel, 3- time Olympian, 2-time medalist and US Olympic Team Captain as our Guest of Honor. Her story, inspirational messages and contagious spirit will resonate with every guest! Elizabeth is now a media contributor for NBC and ESPN. She was a part of NBC's 2020 Tokyo Olympic Games Swimming coverage team, and has worked multiple Division 1 Swimming and Diving Conference Championships with ESPN.

Enjoy an engaging night of mingling, networking, and hearing the success story of Elizabeth Beisel, whose journey will leave you motivated. Whether you're looking to expand your network or be inspired by fellow women of excellence, this is an event you won't want to miss!
