

OUTSTANDING WOMEN

A SPECIAL SECTION IN THE MARCH ISSUE OF RHODE ISLAND MONTHLY

Celebrate International Women's Month with us! We are pleased to highlight and celebrate some of the successful local women who are making a mark in their field. Business owners, executives, doctors, educators, designers, retailers and more – all who share a passion for excellence.

Are you a successful leader who inspires, motivates, and mentors others in the professional world? Share your success story, or that of a key team member, with an attractive, formatted profile in the March issue. Our 141,000 influential readers want to learn about your determination and your path to a successful career.

Receive additional exposure by attending our 3rd annual special networking event on Wednesday, March 5th, 2025. Advertisers who place a 1/3 or larger sized ad will receive **two complimentary tickets** to the event! With special guest and Olympian, Elizabeth Beisel, the event is about connecting, empowering, and inspiring others. All proceeds will go back into the community to support Block Cancer, a non-profit started by Elizabeth Beisel. Don't miss the opportunity to have your ad seen by all attendees as they receive the first copies of the magazine at the event!

READER DEMOGRAPHICS

- 62% of readers are female
- 73% of readers have a college degree or more
- Average household income of \$210,000
- 81% of readers are in a professional/managerial position
