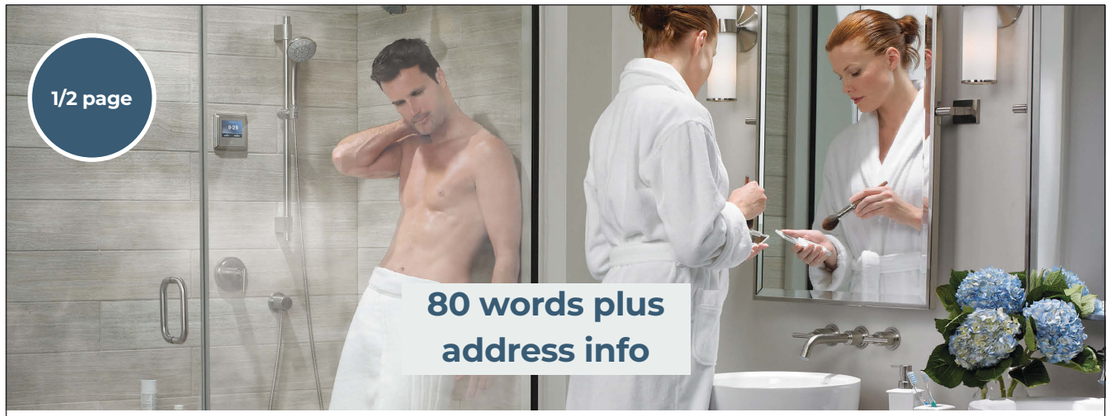
For the way you live in Southern New England

Sample Formatted Profiles



Need to unwind? Transform your master bathroom into the ultimate personal retreat with a Steamist shower system from **Bath Splash Showroom**. In addition to the therapeutic and naturally hydrating benefits of steam, you can personalize your Steamist system with spa options including aromatherapy essential oils, lighting and audio enhancements. The steam generators are small and can fit virtually anywhere, making installation possible in a variety of spaces. Why not let things get steamy in the shower? Your body — and your mind — will thank you.

Since 1980, the Wallis family of **Rhode Island Painting Co.** has helped thousands of happy homeowners across the region build the new custom-designed home of their dreams. They build "eco-friendly" green custom homes of all sizes for all budgets. Whatever custom home you have in mind, from a quaint cottage in Little Compton, a rambling farm house in the country or an elegant luxury estate home in Newport, they can design and build it at a price that will work with your budget. As a local custom home builder for over 38 years, they have made many happy customers' dream home a reality by delivering on that promise and working to make it their special retreat. They are experts in every way. Since 1980, the Wallis family of **Rhode Island Painting Co.** has helped thousands of happy homeowners across the region build the new custom-designed home of their dreams. They build "eco-friendly" green custom homes of all sizes for all budgets. Whatever custom home you have in mind, from a quaint.
